

Dear Parent/Carer,

Your child will soon be given a username and password for something called Educake. Educake is an online learning system for schools. Pupils can use it on a PC, tablet or smartphone by going to [www.educake.co.uk](http://www.educake.co.uk).

Teachers might set quizzes on Educake for classwork or for practice at home. Quizzes can be retaken as many times as pupils want to improve their score. Every question is auto-marked, and pupils get instant feedback. Educake is all about progress and positivity.

Pupils also have the opportunity to learn independently. The "Practice" button shows them which topics they need to work on and creates personalised quizzes for them.

The next page of this letter will show you how Educake works. If you have any questions, you can always talk to your child's teacher about Educake, or you can email us at [support@educake.co.uk](mailto:support@educake.co.uk).

Yours sincerely,

*Nicola Allen*
