

# Make learning stick

*Without overwhelming you (or your students)*

## Supportive

Build student knowledge with accessible quizzing and feedback.

## Targeted

Your expertise leads the way – choose what you set, when, and how.

## Proven to build understanding

"Fantastic for improving our students' recall, enabling them to then apply that knowledge."

Nicola, Science Teacher, The Mirfield Free Grammar and Sixth Form

GCSE AQA, Edexcel, OCR Gateway,  
WJEC, IGCSE, CCEA and KS3

£880 per year (+VAT)

A-level Biology, Chemistry  
and Physics

prices start from £280 (+VAT) per subject

# Quizzes that build confidence, not frustration

Reinforce memory with regular retrieval practice and active recall.

Personalised quizzes strengthen areas where students need most help.

Instant feedback turns mistakes into opportunities for deeper understanding.

Questions to support exam technique and maths for science.

“If there are any topics I struggle with, I'll just do questions on them until I feel more comfortable.”

Lily, Student, Cams Hill School

# Insights that make your support laser sharp

Spot problem areas quickly, e.g. Q3 here.
