

**Win prizes for
independent study –
A-level competition
2026**

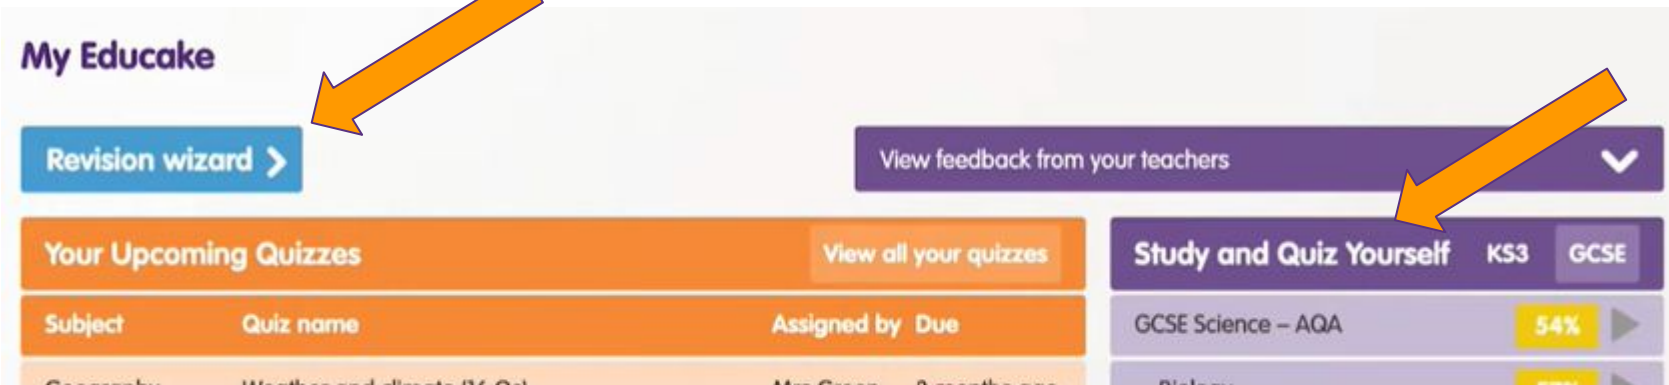

Educake

- Two **lucky** students who use Educake to practise their A-level science this autumn could win a graphical calculator (worth £130) or Beats headphones.
- Just log in to Educake and answer as many self-set questions as you can between 19 October and 15 November.
- Students who answer in the top 10% of questions will be entered into a prize draw.

How do I set myself a quiz?

- Only questions you set yourself will count towards your competition total.
- There are two ways to set yourself quizzes: Revision Wizard and Study and Quiz Yourself. Find both on the My Educake homepage.
