Educake

What is Educake?

Educake is your online revision tool, designed to help you take control of your learning, in school and at home. Test your knowledge, target your weaknesses and turn consistent practice into A-level excellence.

You can log in at **educake.co.uk** on any phone, tablet or computer.

2 minute intro to A-level video

Click here for more info! Including quizzes you can try at home.

How it helps you at A-level

1. **Teacher-set quizzes** keep you aligned with classwork.
2. **Revision Wizard** and **Study and Quiz Yourself** support independent study.
3. **Instant marking** shows what you've mastered and what still needs more practice.
4. **Short quizzes** make revision feel manageable, even with busy schedules.
